## SCENE 2 LIVING ROOM

Kyle

It's a well-known fact that the government has been doing  
mind control for years through the TV. Now, they have  
expanded operations to the cable box and internet router.

Have you recently received an "upgrade" to your cable or  
internet services?

This was me after our last "upgrade".

DISSOLVE TO SCENE 3

**SCENE 3 TESTIMONIAL DRAMATIZATION**

Kyle and Daughter are sitting at the kitchen table. Daughter looks concerned and Dad looks exasperated.

Kyle

I thought I told you to stay away from my motorcycle.

Daughter

Dad, I have no idea what you are talking about. Why would I go near your motorcycle?

Kyle

To sabotage it. I heard you talking to your Mom.

Daughter

You are an idiot Dad.

Kyle

Your Mom doesn't want me to have any fun and I know she is spying on me. YOU ARE HELPING HER.

Daughter

Mom is married to Andy now Dad and doesn't give a shoot about what you do. You should see a psych doctor. Nobody cares about your stupid Motorcycle.

Kyle

I knew it. You think it's stupid and want to sabotage it. I have proof. This is you right here in this picture I took yesterday. I couldn't believe my eyes. But, that is for sure you.

Kyle shows his phone to her.

CAMERA ZOOMS IN ON THE PHONE.

It shows a picture of a stick figure drawn next to his motorcycle.
